Why have an Art Centre?

The Art Centre exists.....

- to acknowledge Art as a Good Samaritan ministry and to provide a venue for its display,
- to encourage creativity of its members, and
- to financially assist various Good Samaritan ministries.

Good Samaritan Artistry

Since the Good Samaritan Sisters were founded in Sydney in 1857, many Sisters have excelled in various forms of artistry. In the beginning they concentrated on needlework, calligraphy and painting.

These days the Sisters' artistry has expanded from delicate needlework and beautiful vestments to pottery, candle and card making, leather work, folk art, silk scarves, photography, paintings, wood carvings and sculptures.
